

Walgett and Colly Under the Son

All things have been created through him and for him (Colossians 1:16).

And so, we are thankful for our partnership in proclaiming him and what it looks like to live under the Lordship of Christ in Walgett and Collarenebri.

It's been confirmed today that we will be doing an Easter Assembly at Walgett Community College primary and high school campuses. We would appreciate you to join us in prayer, especially for the High School, this will be a first for us... and is a bit unexpected! We plan to focus on forgiveness, from the Parable of the Prodigal Son (Luke 15:11-32). Any ideas for us?!

You can help save mothers and babies

No woman should die while giving life.
Over 300,000 women die annually in childbirth, and many more mothers and babies suffer from infection. Nearly all of them live and die in developing countries.
BKFA is an organisation dedicated to improving the conditions for women all over the world by providing clean birthing kits and training in how to use them. Though each kit costs less than a cup of coffee, its simple contents give midwives and mothers the resources to reduce infection and fatalities.

Join the women of St Peter's Anglican Church for a fun and relaxed day assembling birthing kits!

Location: CWA Hall Walgett
Date: Saturday 1st April
Time: 10am-12 includes morning tea
Cost: \$20 to cover kit materials

Jo has planned a Birthing Kit Assembly Day for Saturday 1 April (www.bkfa.org.au). We pray this will help women and babies in the developing world, and be an opportunity to connect with a wide range of women. Please pray invitations will be accepted, and relationships deepened.

We are loving Six Steps To Loving Your Church in Bible studies. It's great to hear people consider how they can talk more about Jesus after church, and be intentional and prayerful before church. In God's grace, we've had a few more people join church lately, and so it has been great to talk and practice how we can love people who are different to us. Please pray we would show real Christian love for all people.

Finally, we are excited that our friends from All Saints North Epping Anglican Church will be back in Collarenebri in April. We'll be running a Kid's Club, an outreach service at the mission, Easter services, and maintenance on our church buildings. We pray for good participation from the Colly community, that we would all be encouraged, and that many would give their life back to Christ the Lord.
