

Walgett and Colly Under the Son

Dear friends, we are thankful for many gospel opportunities over April.

The school Easter assemblies were fun and seemed to engage students and staff. We got a 15-minute spot at the High School 'Muster' to have an Easter egg rolling challenge, act out the parable of the lost son, and connect this to how we can join the family of God through Jesus. Thanks for your prayer and ideas!

The Birthing Kit Assembly Day went well, even if we'd hoped more ladies came.

And we've just had a great Easter with the help of All Saints North Epping Anglican Church. The 4-day Kids Club in Colly was lots of fun and well attended (40 kids). We tried to engage the local Aboriginal Reserve this year, with 7 kids coming to Kids Club each day and a night time Easter church service. Both Colly and Walgett church buildings were repaired. Easter services were an opportunity to present the grace of God (Luke 23:32–46), and what the resurrection of Jesus means for us (1 Corinthians 15). It is encouraging to see how God used everyone in the team to do his work. It was a tiring week but well worth it (even if it meant hitting another kangaroo!). And, in honesty, we simply love having like-minded people to talk and pray with, and for our kids to play with!!!

Coming up in the next few weeks is ANZAC Day... Jacob loves getting up early for the Dawn Service, Tory loves the opportunity to talk about the sacrifice of Jesus.

Walgett Show is 13 May... traditionally the church does security in the art and craft pavilion, but we are trying to shift the focus to our church stall to connect with people through free tea and coffee and plaster sculpture painting for kids; ideally we would do a kid's talk with puppets. Please pray for church people to be willing to help on the stall so that we can be freed to share Jesus in a fun creative way.

And please keep praying for the Word to bear fruit among Walgett and Colly!

Love in Jesus, Tory, Jo, Jacob, and Annika Cayzer (6828 1590 / 0407 466 459).

If you would like to support the ministry financially, gifts can be made to Barwon District Anglican Churches, BSB (Walgett NAB): 082-888, Account: 394337000.
