Living God's Way

Quiz Worx Home Delivery
BRINGING CLEAR BIBLE TEACHING TO YOU

In this 5 week series, Quiz Worx Home Delivery will be re-examining some of Jesus' teaching in his Sermon on the Mount. This memorable teaching block is full of wonderful, visual imagery as Jesus confronts his followers with the incredibly high standards that God expects his people to live by.

From start to finish, Jesus teaches that anyone who follows him will live differently to the people of the world. Our hope is that this series will encourage and equip you and your children to be able to read and understand Jesus' teaching in an even deeper way than ever before. And our hope is that you will want to live God's way.

Each week in our Kids' Talk video, Roz and Scruff will help explain how followers of Jesus can live God's way by exploring a particular aspect of Jesus' teaching. Each Kids' Talk video will have accompanying discussion questions for you to work through with your children.

We have also provided some further 'Digging Deeper' Family Devotions. These will help you and your family discover more of Jesus' teaching on how to live God's way.

Living God's Way

Being Humble

Discussion Questions after 'Being Humble' Kid's Talk Video

In this week's Kids Talk video, Roz helps us to see that living God's Way means being humble. Rather than showing off when we are kind and loving to others, we are to be humble.

1. What does Scruff want everyone to know?
2. How does it make you feel when someone praises you for doing something good?
3. What does Jesus want his followers to do? How does he want us to do those things?

Pray

Thank God that he is so kind to us.

Ask God to help you be kind and loving to others, not to win their praise, but because that's how we live God's Way.

Digging Deeper

Family Devotions

BRINGING CLEAR BIBLE TEACHING TO YOU

How to use 'Digging Deeper' for the 'Living God's Way' series.

To help you through our 'Living God's Way' series, each week we will provide three devotions. We encourage you to read these passages with those in your household at a time that suits, and use the questions to guide you as you talk about and reflect on how followers of Jesus are to live God's way.

We looked at several different Bible translations when creating these questions. Feel free to use any version as you work through them as a family.

Memory Verse Challenge

The Memory Verse for our 'Living God's Way' series is from Matthew 5:48. Join Larissa, Emma, and Chrissy to learn these words of Jesus' about how he wants his followers to live! You can find the memory verse video in the 'Living God's Way' folder on the Google Drive or you can watch it at: **https://youtu.be/xHC4K1hUOgU**

Something to Remember

As we think about how Jesus wants his followers to live, keep asking:

a) How is the way Jesus wants his followers to act, different to the way the world acts?

b) The Bible tells us that Jesus lived God's way perfectly. How can we reflect Jesus?

Devotion 1 – Read Daniel 4:1-37 (if you have younger kids, just read verses 28-37)

King Nebuchadnezzar lived a very long time ago. He was the greatest King that Babylon ever produced. He had heaps of servants. He built and restored much of Babylon. He sure was powerful and important! But he was also proud. King Nebuchadnezzar was so proud that he ignored God and thought he was better than God. Will the King's pride be his downfall?

1. Read verses 28-33. What happened to the King and why?
2. How does King Nebuchadnezzar respond to God in verses 34-35? What do you think he learnt about his pride?
3. How does God respond to the King after he repents of his pride?

Pray

King Nebuchadnezzar is a great example of a proud person who repented. Thank God for changing the King's heart so that he could turn back to God. Spend some time thinking about your own heart. Do you need to ask God to humble you because you won't give him your life?

Ask God to help you be less proud and more humble each day.

Digging Deeper

Family Devotions

Devotion 2 – Read Philippians 2:1-11 (if you have younger kids, just read verses 3-8)

Jesus is the King of Kings and deserved all honour and recognition. But he gave all of that up to become a servant. In this passage, Jesus teaches us what true humility looks like...

1. Read up to verse 4. What does being proud look like? What does being humble look like?
2. Read the rest of the passage. How does Jesus show us what true humility looks like?
3. Think about your own life and the relationships you have. How can you be humble like Jesus?

Pray

Thank God for the example of Jesus who showed us what true humility looks like by choosing to serve others rather than be served.

Ask God to forgive you for the times that you have been proud and thought of yourself as more important than someone else.

Ask God to help you love, serve and care about others more than yourself. Pray especially for those whom you find harder to love.

Devotion 3 – Read Matthew 6: 1-4

In Matthew chapter 5, Jesus showed us that God wants his people to follow him not only with their behaviour but also with their hearts. In this passage, Jesus follows on from this to say that when we do good things, we must make sure we are doing them for God and not to show off to others.

1. In our day, just like in Jesus' day, there are people who do good and religious things, not because they love God, but because they want to look good in front of others. Spend some time talking about what this might look like (you can use real or made up examples).
2. What does God think about those who are proud and boastful about their good deeds?
3. How does Jesus say we should behave when we do good things like giving money to the needy? Why should we behave this way? (You can also look back at Matthew 5:16)

Pray

Ask God to help you to humbly care for people in need, because you want to honour and obey God.

Ask God to help to do good things with the right motives, so that he gets the glory.

Pray for people in need, in your community and around the world (Open Doors and Compassion are good places to go to for this). Then think about how you as a family can help those people.
